

Orogen Royalties Announces Trading on the OTCQB

Vancouver, B.C. September 8, 2025 (TSX.V:OGN) (OTCQB:OGNNF) Orogen Royalties Inc. ("Orogen" or the "Company") is pleased to announce its shares have been qualified to begin trading on the OTCQB® Venture Market ("OTCQB").

Orogen Royalties Inc. begins trading today on OTCQB under the symbol "OGNNF". U.S. investors can find current financial disclosure and Real-Time Level 2 quotes for the Company on www.otcm Markets.com.

Trading on the OTCQB Market is an important step for companies seeking to provide transparent trading for their U.S. investors. For companies listed on a qualified international exchange, streamlined market standards enable them to utilize their home market reporting to make their information available in the U.S. To qualify for OTCQB, companies must meet high financial standards, follow best practice corporate governance and demonstrate compliance with applicable securities laws.

Paddy Nicol, Orogen's President and CEO commented, "Trading on the OTCQB is an important milestone for Orogen since our relaunch in July and provides better liquidity and easier trading to our U.S. shareholders. In due course we will seek to upgrade trading to the top-tier OTCQX market."

Forward Looking Information

This news release includes certain statements that may be deemed "forward looking statements". All statements in this presentation, other than statements of historical facts, that address events or developments that Orogen Royalties Inc. (the "Company") expect to occur, are forward looking statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates",

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

“believes”, “intends”, “estimates”, “projects”, “potential” and similar expressions, or that events or conditions “will”, “would”, “may”, “in due course”, “could” or “should” occur.

Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward looking statements. Forward looking statements are based on the beliefs, estimates and opinions of the Company’s management on the date the statements are made. Except as required by securities laws, the Company undertakes no obligation to update these forward looking statements in the event that management’s beliefs, estimates or opinions, or other factors, should change.

Except where otherwise stated, the disclosure in this news release relating to properties and operations in which Orogen holds a royalty are based on information publicly disclosed by the owners or operators of these properties and information/data available in the public domain as at the date hereof, and none of this information has been independently verified by Orogen. Specifically, as a royalty holder and prospect generator, the Company has limited, if any, access to properties on which it holds royalty or other interests in its asset portfolio. The Company may from time to time receive operating information from the owners and operators of the mining properties, which it is not permitted to disclose to the public. Orogen is dependent on, (i) the operators of the mining properties and their qualified persons to provide information to Orogen, or (ii) on publicly available information to prepare disclosure pertaining to properties and operations on the properties on which the Company holds royalty or other interests, and generally has limited or no ability to independently verify such information. Although the Company does not have any knowledge that such information may not be accurate, there can be no assurance that such third-party information is complete or accurate. Some reported public information in respect of a mining property may relate to a larger property area than the area covered by Orogen’s royalty or other interest. Orogen’s royalty or other interests may cover less than 100% of a specific mining property and may only apply to a portion of the publicly reported mineral reserves, mineral resources and or production from a mining property.
