

Orogen Royalties Announces Private Placement Update

Vancouver, B.C. March 18, 2026 (TSX.V:OGN) (OTCQB:OGNNF) Orogen Royalties Inc. (“**Orogen**” or the “**Company**”) announces that, further to its news release dated March 12, 2026, the Company will not be proceeding with the private placement.

“Orogen is well funded to pursue its objective of project generation and royalty acquisition,” commented CEO Paddy Nicol. “We continue to actively evaluate the Company’s capital resources in the context of current and future capital requirements and prevailing capital market conditions. The cancellation of this private placement does not alter the Company’s exploration and investment strategy. Over the course of 2026, our exploration outlook includes up to 16 partner funded drill programs, representing more than 50,000 metres of drilling. These programs are expected to advance our projects and royalties and increase the probability of exploration discovery. In addition, we are also pursuing several short-term acquisition opportunities that are complementary to the Company’s existing portfolio.”

About Orogen Royalties Inc.

Orogen Royalties is focused on organic royalty creation and royalty acquisitions of precious and base metal discoveries in western North America. The Company’s royalty portfolio includes the Ermitaño gold and silver Mine in Sonora, Mexico (2.0% NSR royalty) operated by First Majestic Silver Corp. The Company is well financed with several projects actively being developed by joint venture partners.
